How will these changes affect me?

Consumers currently receiving services within our community clinics will be advised if their care coordinator changes. Please ensure you discuss any concerns at the time of your appointment with your current care coordinator.

Who do I contact if I have further questions?

If you have further questions or concerns about how these changes may affect you, please contact Sharon Purves, Acting Subacute and Adult Community Program Manager at sharon.purves@health.wa.gov.au

Commencing 5 October 2015, adult community mental health services provided by the Bentley Mental Health Service will be changing to provide consumers with an improved model of care.

This will involve the introduction of a new Assessment and Treatment Team (ATT) and a Clinical Treatment Team (CTT) to better support you in your community recovery.

What will the changes mean?

Assessment and Treatment Team (ATT)
- Will provide access to services from 8am to 10pm every day of the week
- All new referrals will be considered as appropriate for the service
- Will work with consumers, carers and other agencies to determine an appropriate care plan
- Where appropriate will offer intervention and contact for up to a maximum of 10 weeks
- Will support consumers in developing community focused discharge plans
- Will assist consumers in accessing other community networks for ongoing recovery
- Is available for after-hours emergency support and advice seven days a week

Clinical Treatment Team (CTT)
- Will provide access to services from 8.30am to 4.30pm, Monday to Friday (except public holidays)
- Will offer care coordination via a named professional
- Will offer care for a period longer than 10 weeks where individually indicated
- Will provide specialist professional interventions for people with moderate to severe mental health needs
- Will work with consumers, carers and other agencies to ensure comprehensive care planning and support
- Will provide a collaborative approach to your treatment and discharge planning by partnering with you, your family, carer, GP and other support agencies.
